Students of San Jacinto High School
Houston, Texas

Greetings:

I want to wish for each of you success.

I know that you who are about to graduate will carry with you memories of many pleasant hours spent in building the foundation for your education. It will indeed be a privilege for you who are seniors to graduate during the Texas Centennial year.

Certainly no greater inspiration could be given any graduating class than the fact that it is graduating on the one hundredth anniversary of Texas independence. The traditions of Texas should ever remain an inspiration to them.

With my best wishes, I am

Sincerely yours,

James V. Allred
Governor of Texas

JVA;EN

MISS SARAH GROSS

DEDICATION

IN HEARTFELT APPRECIATION of her ability as a teacher and her faithful and ever patient loyalty as a friend and advisor, the students of San Jacinto take sincere pleasure in dedicating this, the tenth edition of the EL OROSO, to Miss Sarah Gross, whose radiant personality and brilliant character always inspire in everyone she meets those noble ideals which are found in the glorious spirit of San Jacinto.

CLASS MESSAGE

One hundred years ago at this writing the little army of Sam Houston was on the very brink of an undertaking that meant destruction to their hopes, their loves, their very lives, or it meant personal glory, civic freedom, and their cherished safety of home. The Alamo and Goliad had shown there was no middle ground. They must conquer or all would be lost.

Class of 1936, you are on the brink of an undertaking at this your commencement year. A great task is to be performed and rough is the way. Great are the odds against you and cruel are the foes you meet, but a life of unselfish enthusiasm, unselfish determination, unselfish devotion to a worthy cause will carry you to the very pinnacles of human love and honor.

Sincerely, your friend,

T. H. Rogers.

EXECUTIVES

As the time arrives when we must leave the scene of our labors for the past three years, it is only natural for us to become somewhat reflective. For some of us, high school has been a glorious educational adventure; for others, a period of carefree pleasure. Some of us have been happy, some sad, some contented, and others dissatisfied; but despite the variations and the conflicts which have prevailed, we feel that there has been at least one stabilizing factor in our school life; that is friendship with our teachers. They have been our companions who not only instructed us but shared with us our joys and sorrows. These experiences have been many and varied; and without the experienced guidance and gentle modulating influence of our teachers, we would have fared badly in our undertakings.

Instead, sustained by their invaluable advice, and encouraged by their friendship and sympathetic understanding, we have been able to overcome seemingly insurmountable barriers. It is with sincere regret that we leave our friends, the faculty, who have enriched our knowledge of human nature as well as our material knowledge; and it is sincerely that we express our gratitude to them for their invaluable assistance.

CENTENNIAL CLASS

SENIOR ACTIVITIES

The first function of the Centennial Class was its election of officers which took place shortly before the Christmas holidays. The election was very warmly contested and produced much excitement throughout the school. The result was victory for Billy Harvin, Griff Vance, Joan Brooks, and John Seaman as president, vice president, secretary, and treasurer, respectively.

During the spring months the attention of the senior class was focused upon a brilliant list of activities which included the senior picnic, senior dance, class night, Baccalaureate sermon, and commencement exercises. These long awaited events furnished a distinctive and enjoyable program for the graduating class.

The first meeting of the senior class was held in March for the purpose of selecting colors, flower, sponsor, and motto; and transacting other business of the senior class. A very lively interest was shown in all proceedings, and due to extended discussion and lack of agreement, final decisions were postponed until a second meeting where it was decided to name Miss Sarah Gross as sponsor, the talisman rose as the flower, yellow and white as the colors, and "To know everything of something and something of everything" as the class motto. With these decisions behind them, the members of the Centennial Class went forward with their last few months of work looking toward the days when San Jacinto would be a pleasant memory.

THE JUNIOR CLASS

Helen Campbell
President

Norman Evans
Vice-president

Olive Dustin
Secretary

Marian Frost
Treasurer

The junior class, second largest class in San Jacinto, may be considered the true medium between the senior and sophomore classes for it is the backbone of school activity. It has two great responsibilities; first, to lead as an example for sophomore classes; second, to become well-experienced and equipped in leadership in order to be capable of taking over the reins of the senior class.

The chief activity of the junior class of 1935-1936 was its election of officers which took place at a call meeting in the boys' gym on the afternoon of May the fourth. Mr. Rogers presided at the meeting until a president had been elected. The result of the presidential election was a victory for Helen Campbell of Miss Trevino's registration. She then took charge of the meeting and conducted the election of the other officers. Norman Evans and Olive Dustin of Miss Trevino's registration were elected vice-president and secretary respectively, and Marian Frost of Miss Gillespie's registration was made treasurer.

Although there are not many class activities for undergraduates, this class proved to be a lively bunch. They seemed to afford every prospect for an excellent senior class of 1937.

THE SOPHOMORE CLASS

Lanelle Dunn
President

Rosemary Summers
Vice-president

Jerry Combs
Secretary & Treasurer

In September, 1935, an immense, but bewildered and wide-eyed group of sophomores entered into the ever-flowing stream of student life at San Jacinto, amazed and awed at the magnitude and possibilities of their new scene of labors. This sophomore class, strengthened by numbers at mid-term, which made it the largest class in the history of San Jacinto, became readily recognized as an outstanding group. It optimistically accepted its position despite the aloofness of the higher classes, and its fine spirit of cooperation, sportsmanship, and respect increased its rapid progress toward greater participation in school activities.

Keen competition reigned during the class election, which took place at a special called meeting of the sophomores. The result of the election was the choosing of the following officers: Lanelle Dunn, President; Rosemary Summers, Vice-president; and Jerry Combs, Secretary and Treasurer.

The high standards and aims of the class not only benefitted itself but also the entire student body; for without its splendid support, the school's activities would have been incomplete.

EDITOR'S NOTE

The staff of the 1936 El Oroso has been especially privileged in being the producers of this the Centennial Edition of the San Jacinto annual. In choosing a theme for the book, the staff had merely to consider the historic name of San Jacinto, which has always been linked inseparably with those glorious days in which our forefathers won their independence; and from that consideration the Texas Centennial, a broad and colorful theme, was derived.

It has been the sincere effort of the staff in compiling this year's El Oroso to represent San Jacinto in all its activities as completely as possible, and it is the sincere hope of the staff that this edition of the El Oroso will always recall to you of the Centennial class the glorious days spent in San Jacinto. Finally, it is also hoped that you will enjoy this book just as much as the staff enjoyed compiling it.

BOYS' BOOSTER CLUB

The Boys' Booster Club was actively interested in many affairs during the school term of 1935-36. Headed by wide-awake, industrious cabinets, the club accomplished much in promoting school activities. Some of the most important of these were: the vodvil, "Follies '35"; the Christmas party given for the children of Hawthorne School; the establishment of a cheering section at the football games; the gift of megaphones for use in the cheering section; the bonfire held before the Reagan game; three dances featuring Sullivan's Orchestra which were the Term Top-Off, the Spring Fling, and the Centennial Ball; the sponsoring of the Track Relays; and the selection of the Queen of the Relays. The Booster Club feels that it has spent one of its most useful and successful years.

THE CENTENNIAL BALL

By far one of the most colorful and outstanding social events of the year was the Centennial Ball, which was held in the boys' gym on April the twenty-fourth. Elaborate decorations, including a huge canvas mural painted by Bill Tilton, and brilliant costumes vividly recalled the early days of Texas' exciting history.

Early in the evening in a maze of flashing costumes, the grand march took place; and of the march Evelyn Taylor and Sidney Davis were voted as wearing the cleverest costumes. Music for dancing was ably furnished by Edward Sullivan and his orchestra. The Boys' Booster Club, sponsor of so many popular activities, did itself especially proud in putting over the Centennial Ball.

The individual pictures reading from left to right are: Joe Miller, Business Manager; J. T. Sumerlin, Managing Editor; Robert Fink, Editor in Chief; Fred R. Birney, Sponsor.

THE CAMPUS CUB

The Campus Cub, official publication of San Jacinto High School, is a bi-monthly newspaper devoted to the interests of the students and faculty of the school. It is published and managed entirely by the journalism department, of which Mr. Fred R. Birney was the head. Students from the journalism classes write stories, manage subscriptions, and solicit advertisements.

Since the beginning of the Campus Cub in 1926 subscribers have been given an increasing number of issues each year at a constantly decreasing price, due to the larger number of subscribers obtained with each succeeding year.

Outstanding on the Campus Cub staff during 1935-1936 were J. T. Sumerlin, editor, fall term; Robert Fink, editor, spring term; Joe Miller, business manager; Eleanor Tayman, advertising manager; and Ann Cowart, circulation manager.

Staff members whose work made possible the high quality of the Campus Cub during the year include Louise Kost, Bernice Simon, Arthur Talk, H. B. Rouse, Carl Wodring, Helena d'Acosta, Jimmy Laycock, Ernie McAshan, Ben Willis, Marie Strong, Mabel Edith Lawrence, Bettye Wood, Jane Wells, Kitty Lee Hood, Roselle Kaplan, Bernard Green, Harriet Barnett, Daisy Miller, Ben Scher, Allene Springfield, Frank Russell, and Dorothy Jean Boudreaux.

The entire journalism classes, including eighty students, have assisted in various ways to make the Campus Cub a successful and outstanding high school newspaper of which San Jacinto is justly proud.

THE PEP CLUB

Ending its ninth year as an active organization of San Jacinto, the Pep Club has risen to even bigger and better things. In the fall Mrs. Harvey Durham became the new sponsor and by her aid and enthusiasm developed the club into a first class drill squad. One of the greatest improvements was the adoption of the new military uniforms of gold and brown, which added much color to the novel drills at the football games.

With the close of the football season the annual banquet was given for the lettermen at the San Jacinto Inn. In January the members of the club were honored by the bi-annual dance and banquet at River Oaks at which time new officers for the spring term were announced. After the basketball and track events closed, the Pep Club held a banquet in honor of those lettermen. The club's activities ended with the spring affair for members at River Oaks.

THE WRITERS CLUB

The Writers Club, successors to Ye Scribes of several years ago, has been very active again under the able sponsorship of Mr. E. B. Ingraham and Miss Sarah Gross. The purpose of the club is to afford an opportunity for anyone interested in writing to study the works of others and to profit by criticisms made of his own work by the other members.

Meetings are held once every two weeks in the homes of the various members. As the group is small, the meetings are very informal; and self expression much in evidence. The program usually consists of selections from books and magazines, original compositions, and general discussion with refreshments afterward. The club is open to all persons interested, and there are no obligations.

THE SALESMANSHIP CLUB

The Salesmanship Club, sponsored by Mrs. Lillian Warren, completed its second year of activity in 1936. The group has three purposes, which are as follows:

1. To put the students in contact with the business men of the city.
2. To stimulate the students in developing initiative.
3. To gather actual information about present day selling.

The club is composed of members of the two Salesmanship classes and the newly organized Advertising class. There are approximately 125 members.

The Officers of the Club, consisting of one from each class and a general president, are as follows:

President: TOMMY NELMS

Chairmen:

Henry Street
Ernie McAshan
Annette McCelvy

Secretaries:

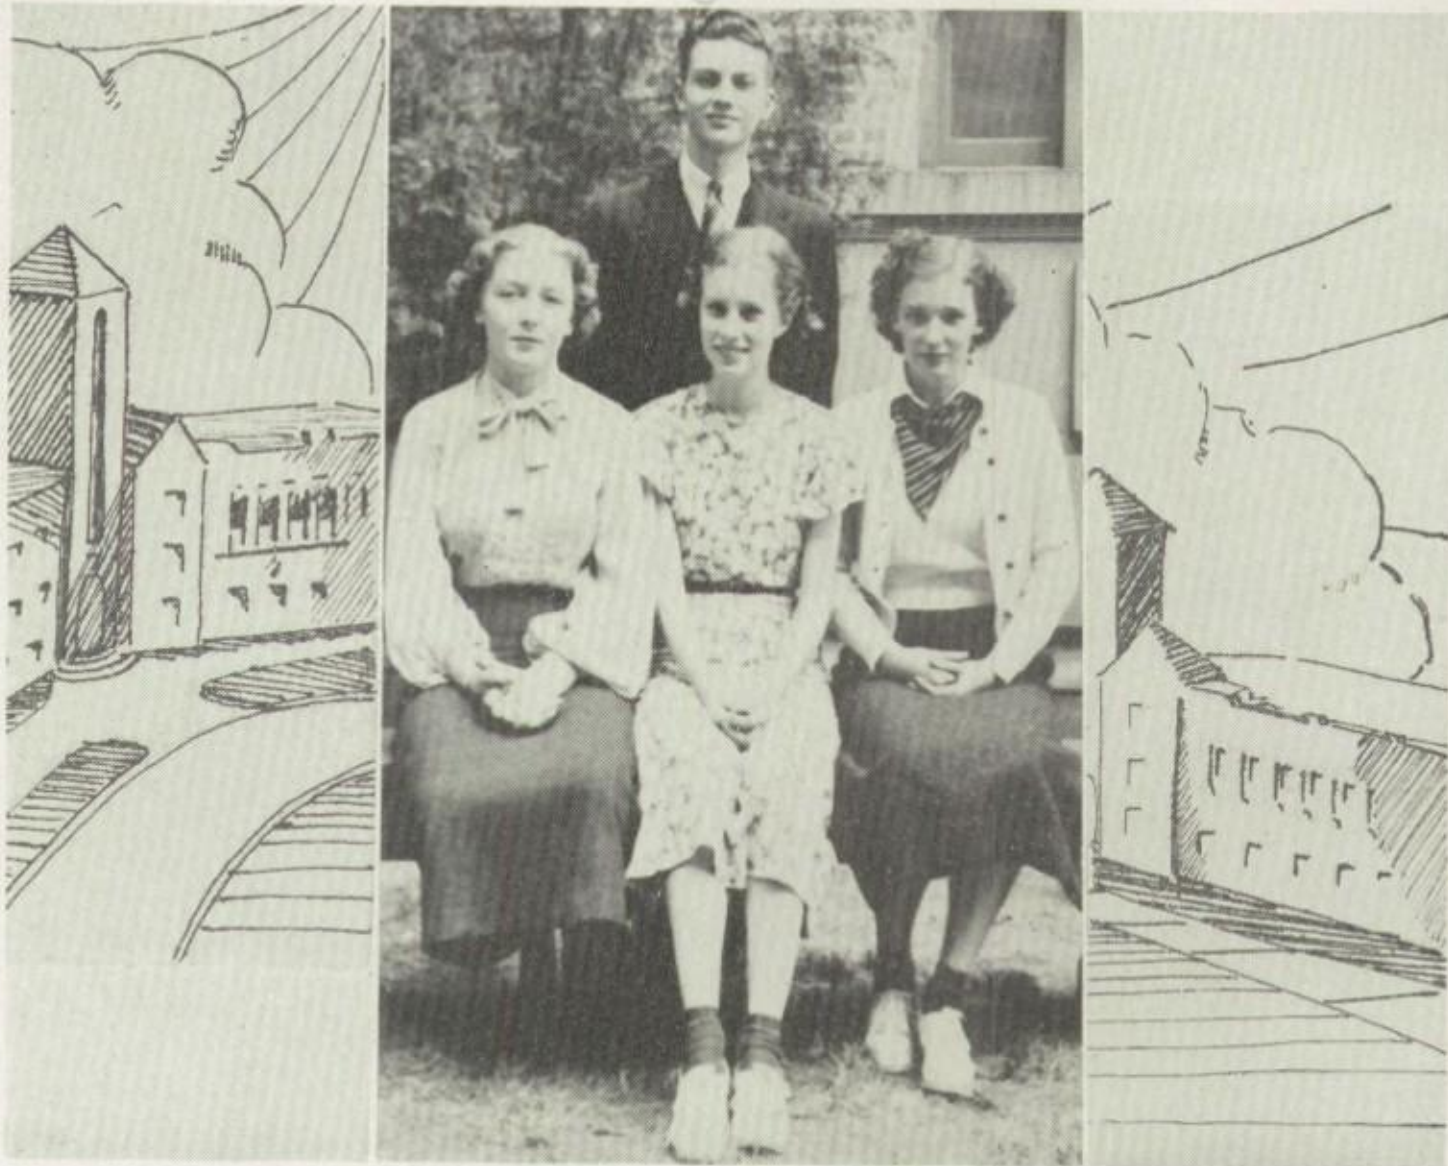

Shirley Kerr
Helen Ellis

LITTLE DRURY LANE

The Little Drury Lane of San Jacinto, sponsored by Mrs. Minnie Mitchell, is the organization that has so successfully represented the school in interscholastic one-act play competition. This year, it presented three plays: *The Look, Pink and Patches*, and *Good Medicine*; and took second place in the interscholastic meet by repeating *Pink and Patches*.

The purpose of the Little Drury Lane is to train students in dramatic art, which is only a practical application of literature. In doing this the organization feels that it is teaching practical English of the highest order. In developing dramatic ability, an effort is made to eliminate all indications of stage fright, to develop poise and dignity in the students, to make them feel at ease on the stage, and to make for real interpretation. Along with all this the students find that they really learn to enjoy acting.

In the past the Little Drury Lane has been notably successful in producing actors and actresses. One of its former members is on Broadway; one is on the professional stage in California; and two are members of the Houston Little Theater.

THE GIRL RESERVES

The Girl Reserves Club, which is a part of the Young Women's Christian Association, has had an interesting year with numerous activities such as service for the school in conducting the Sophomore Information Bureau, community service in carrying on a project with junior girls at Rusk Settlement, participation in many Y.W.C.A. events, and programs developed around the interests of the girls themselves. These programs were based on friendship, personality, vocations, and peace. In addition to programs, many good times were had on parties, picnics, suppers, and intraclub affairs, which included the development of interest in music and handicraft.

Ideals which guide Girl Reserves in their every day living include sincerity, dependability, impartiality, reverence, and friendliness. San Jacinto girls have joined with girls around the world in trying to "Find and Give the Best."

CHORUS CLASS

The above class, known as the Third Period, represents the chorus department of San Jacinto High School under the direction of Belle K. McGinnis. Four hundred and twelve students attend classes each day making the largest elective department in the school.

The very excellent tone shading of their four-part music has gained them recognition from musicians all over the state. Locally, they have furnished music for the Rotary Club, the Kiwanis Club, the Salesmanship Club, and many other leading luncheon clubs, as well as churches and musical organizations. At the Baccalaureate Sermon, a select chorus inspiringly rendered "O Praise the Lord" by Mendelssohn and "Awake My Soul" by Handel.

In addition to doing fine choral work, Mrs. McGinnis' singing classes indulge in an interesting study of the lives and works of the various classical and contemporary composers. Opera is popular with the choruses the way Mrs. McGinnis teaches it, and the study of the symphony also finds an agreeable welcome from the students. Mrs. McGinnis is certainly to be commended for her brilliant work; and it is only fitting that her many accomplishments be recognized and appreciated by everyone.

THE CONTESTANTS

THE INTERSCHOLASTIC MEET

Following the example of the Brown and Gold athletic teams, the representatives of San Jacinto swept through to win the 1936 city Interscholastic Meet by amassing a total of 125 points, 20 points more than Sam Houston, the closest competitor. San Jacinto was represented in every event and placed in most of them with the speaking department outstanding for the number of first places.

The speech arts contestants were as follows: Margaret Harrington and Aline Fisher, who took first in girls' debate; Avrohm Wisenberg and Frank Zumwalt, who placed second in boys' debate; Joan Brooks, first in extemporaneous speech for girls; Billy Harvin, first in boys' extemporaneous speech; Ruth Spargo, first in girls' declamation; and Julius Goldberg, second in boys' declamation.

In the Journalism division Bernard Green took second place in editorial writing; Robert Fink was second in feature writing; Carl Woodring was

third in headline writing; and Marsene Adkisson, J. T. Sumerlin, and Robert Dozier were entered in sports story writing, news writing, and copy reading respectively.

The typing team overwhelmingly won its contest, Geraldine Durno placing first and Rob Watson third. They averaged 77 and 70 words per minute respectively.

San Jacinto also took a fair share of honors in the literary arts division. "Pink and Patches," a one-act play given by Thelma Branum, Katherine Ware, Virginia King, and Irl Mowery, took second. The spelling team of Leah Finer and Lois Damron also placed second. In essay writing, Margaret Schiller represented San Jacinto.

The sponsors were as follows: Mr. Brandstetter and Mr. Barber, speech

SPEAKING ACTIVITIES

Keeping up San Jacinto's excellent record in speech arts competition, the representatives of the speaking department came through to win not only the city speaking contests but several other speech arts tournaments during the course of the year. In winning these honors a squad of eighteen debaters took part in fifty-eight decisions and forty-five non-decision debates winning fifty out of the fifty-eight decisions.

The two debate teams that won most of the honors consisted of Margaret Harrington and Aline Fisher in the girls' division and Avrohm Weisenberg and Frank Zumwalt in the boys' division. To supplement the fine work of the debaters there were Joan Brooks and Billy Harvin in extemporaneous speaking and Ruth Spargo and Julius Goldberg in declamation.

The Junior Unit, Reserve Officers Training Corps established in the school at the beginning of the 1935-1936 school year is an outgrowth of a Section 55-c Cadet Corps Unit which had been in operation for seven years. The accomplishments of the Corps have been many during the present school year.

The "Army," as it is familiarly known, has always had the support and cooperation of the Principal of San Jacinto Senior High School. To him the Corps is deeply grateful and this section of the annual is respectfully dedicated to him.

The Corps in its present form is also indebted to the former members of the unit. They were the pioneers who carried on under adverse conditions to obtain a unit with a standing that is recognized by the citizenry of the city and the government of the United States as second to none. These former members have graduated, but their efforts and their interest have not been forgotten. The Corps is striving to carry on in such a manner that they may look back on their high school days and say with a pleasure and a gleam of confidence, "I was a member of the San Jacinto Cadet Corps."

These efforts have not been in vain. Future members of the Corps may rest assured that they will be proud of their organization, and it is trusted that they will strive toward the examples set by the accomplishments of former members in all walks of life.

YELL LEADERS

Betty Cookenboo

Joe Camp

Pat Thomas

Ernie McAshan

Betty Gartner

These loquacious and leather-lunged leaders of loud and lusty language performed faithfully and enthusiastically their duty of inspiring the San Jacinto rooters and extracting from them all manner of ear-splitting noises.

With the short and lively Joe Camp ably filling his post as head yell leader, with Morin Scott adding a few encouraging exclamations, with the good Ernie McAshan putting on his grin and sticking in his "C'mon gang," with Pat Thomas using her very capable voice to good effect, with Betty Cookenboo looking her very cutest, and with Betty Gartner getting completely off the ground, this peppy bunch put the proper San Jacinto spirit into all the loyal Brown and Gold rooters.

One of the distinctive activities of this group was the tea party held in honor of the Reagan yell leaders on their annual visit to the San Jacinto pep rally just before the Bear-Bulldog game. Aside from all such "social" functions, however, these six managed to keep up with the high-stepping football team by bringing forth lusty yells whenever and wherever yells were in order.

BASKETBALL

Keeping up the same excellent play that won for them the basketball championship a year ago, Miss Brush's fourth period gym class swept on to victory again this year without a single defeat. The success of the team must be attributed to the all-around ability of the girls in their clever offensive and fine defense.

Miss Woods' fourth period class also proved to be one of the most colorful teams that has ever won the championship among her classes. They came through victorious, setting an example of real spirit and sportsmanship that was really spectacular.

There was no play-off between the teams this year; so they are both real champions in their own right.

VOLLEYBALL

Miss Woods' fourth period volleyball team won the championship from Miss Brush's squad after two hard fought games. It was by no means an easy victory, as the opposing team put up a stiff fight; but by excellent playing, Miss Woods' girls emerged the victors. The spirited playing and fine teamwork of the two teams was due in a large measure to the untiring efforts of Miss Woods and Miss Brush.

The third period sophomore team of Miss Woods', showing great promise, won the sophomore crown by a splendid exhibition of volleyball playing.

SPRING

The Girls' Tennis Club, composed of a group of girls interested in tennis, meets each Monday afternoon under the able sponsorship of Miss Francis Murphy. The players were ranked according to the general tournament which was begun in the fall. After the city meet, a ladder tournament was held.

The following members of the club composed the tennis team: Lee Schlosser, singles player who reached the semi-finals in the city meet; Ann Schumacher and Edith Carter, doubles players who placed first in the city meet; and Helen Dean Witcher and Daisy Miller, substitute doubles players. Letters were awarded to Edith Carter, Rhydonia Hamlink, and Helen Dean Witcher.

Middle Row: June Carter, Melva Isaacks, Elizabeth Hill, Mildred Rucker.

GIRLS' BASEBALL

Miss Harriette Brush's gym classes, composed of seniors and juniors, played a remarkable brand of baseball in the classy tournament in which the various gym class teams competed for honors. The tournament this year was distinctly unique in that it was, for the first time, completely handled by the girls themselves, all the umpiring, scoring, and managing being under their supervision.

Each team was chosen from its respective gym class, and the best player was elected captain. The first period team was led by Marguerette Bright, the second by Ursula Sandridge, the third by Bess Dobbins, the fourth by Doris Spacek, and the sixth by Jeanne Ward.

After brilliant and flashy playing the fourth period team emerged victorious in the round-robin tournament, but only after the inspired sixth period squad had given them a real battle. It was Mildred Rucker who slammed out a home run in the first extra inning of play to win for the fourth period girls and close one of the most successful baseball tournaments at San Jacinto.

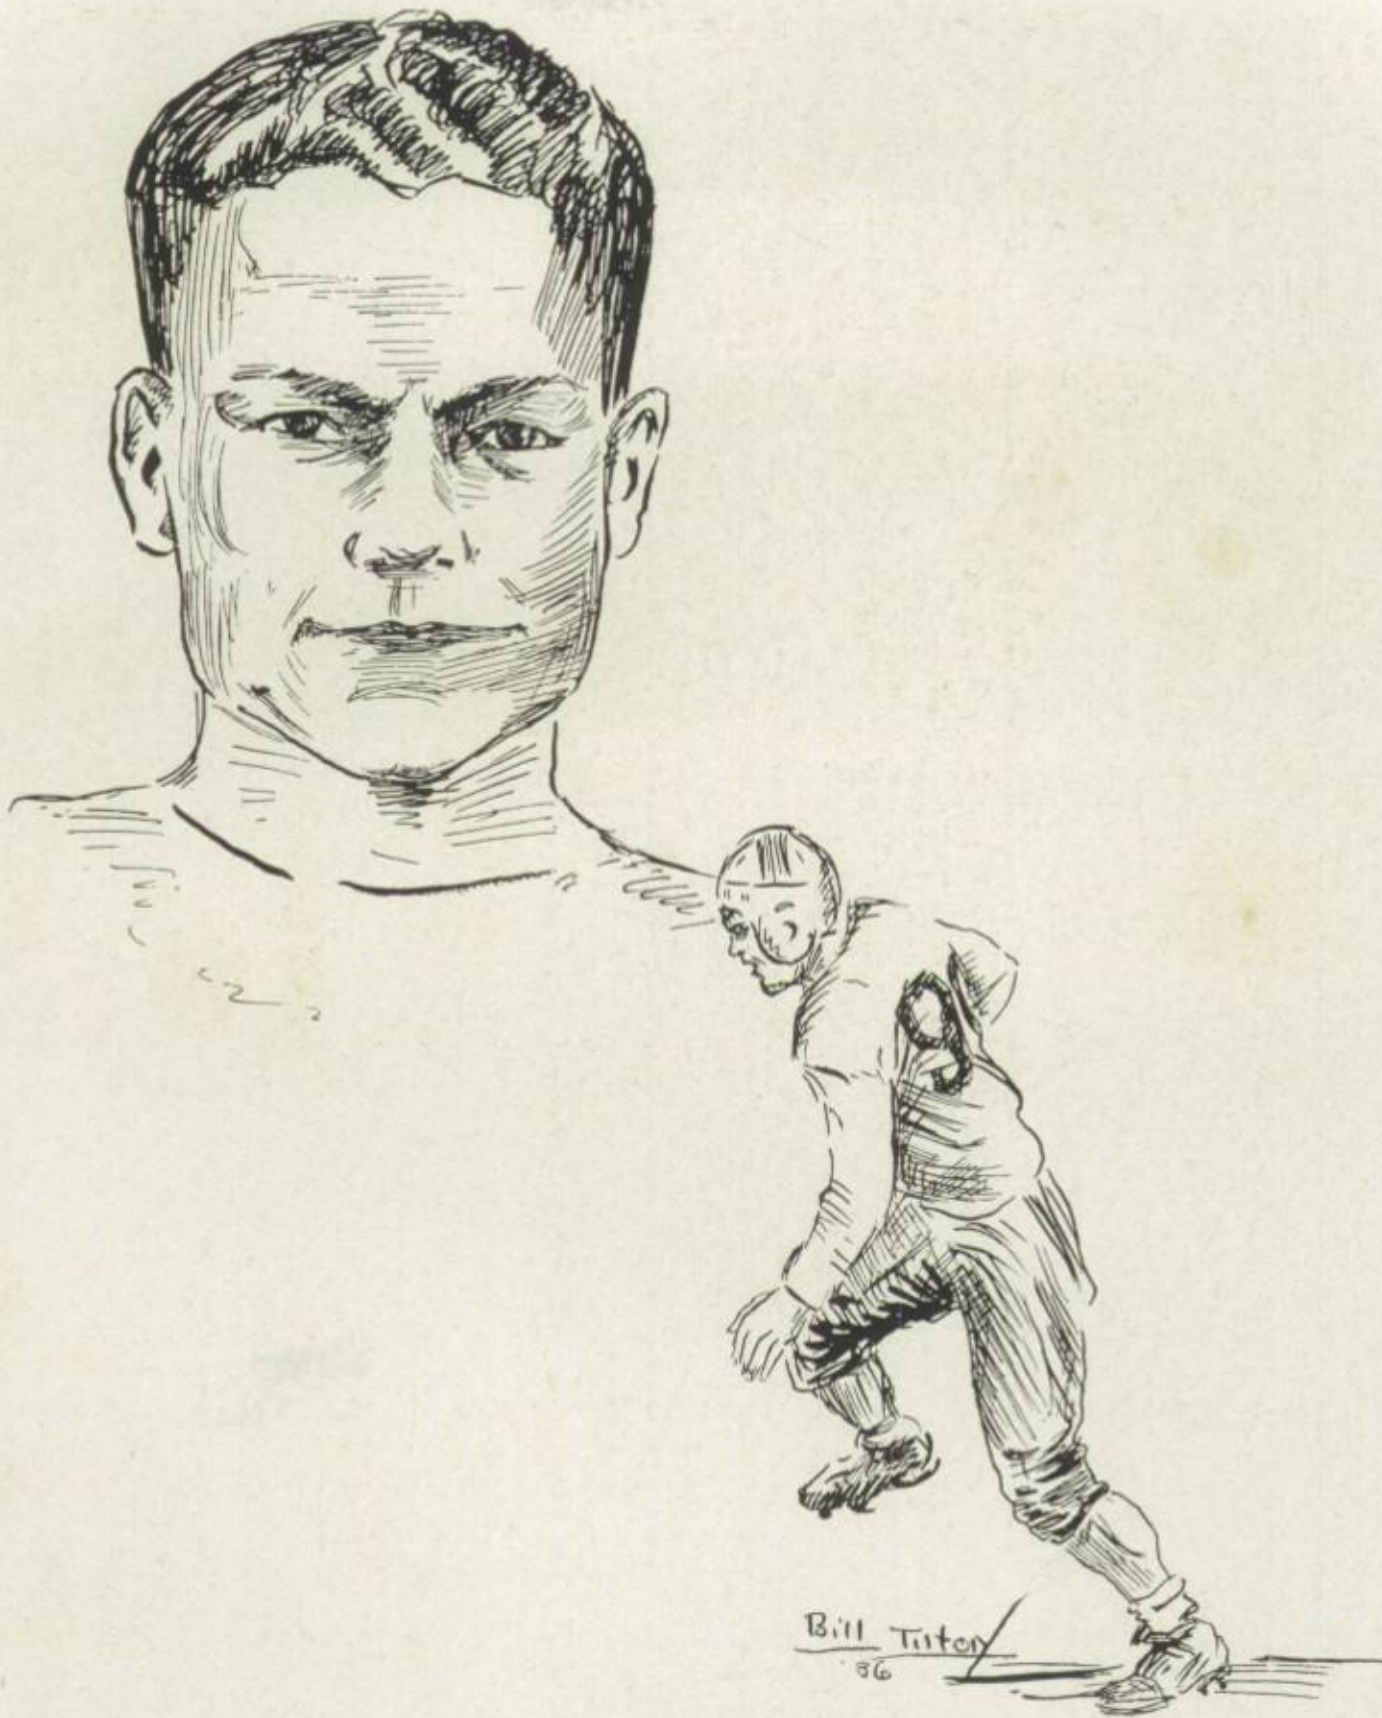

MISS SPIESS' GYM CLASSES

Miss Spiess' Classes have just completed an interesting and active year, in the course of which many new sports were introduced and eagerly accepted. Her sixth period class composed of Low 10 girls played badminton, a new and popular game. Baseball and Archery also were received with enthusiasm, and many girls became very proficient in that sport.

Miss Spiess' third period class of Low and High 9 girls enjoyed a year of volleyball, while her fourth period class played basketball during most of the year. Tennis was the most keenly accepted sport of the seventh period class.

The credit for an enjoyable and helpful year of gym activities must go to Miss Spiess, who has worked long and diligently to enable her girls to accomplish worthwhile things in sport, and to attain new highs in the realm of sportsmanship.

BEARS WILL BE BEARS

Fight! Fight! Fight! The Golden Bears crushed their city foes to attain success in obtaining the second city district championship within three years. Several outstanding players of the previous season with the additional "green" squad carried San Jacinto's colors through the din by defeating Jeff Davis in the final district game.

A sudden change of coaches threatened to halt the Bears' winning streak after Coach Wylie Summers had led them through the first game. The new instructor, Jesse Madden, admirably filled the position which Coach Summers had so ably maintained.

After two non-district encounters against Corpus Christi and Beaumont in which the Bears tied the former contender and defeated the Royal Purples 31 to 6, the inspired Bruins trekked homeward to thrash Conroe 65 to 0. Milby proved to be the next under-dog, as San Jacinto trounced the opposing squad 34 to 7 for their third victory and eighth consecutive defeat over the Buffaloes.

The victorious Bruins obtained a greatly needed two weeks' rest in preparing for the annual, colorful struggle against the Heights Bulldogs. Fighting a clean but terrific battle, the "tree climbing" Bears smashed the enraged Reagan eleven 12 to 7 on a mud-soaked field before 11,000 fans, a record attendance. In an equally important but less exciting encounter, San Jacinto defeated the Sam Houston Tigers 27 to 13.

 Mack Andrews, Frank Roche, Orville Sweitzer, Donald Butler, Ashford Sims.
 Glynn Bussey, Tommy Hebert, Carl Bogard, Sam Hardy, Jack Smith.
 Bernard Paul, Fred Renaud, Manuel Collins, Herman Wall, Teddy Roggen, manager.
 Absent: Jack Isbell.

THE LETTERMEN

The team suffered its first defeat in a roughly played game against the Greenville Lions, who scored thirteen points to one touchdown made by the Bears. The enraged Bruins returned home to banish the Jeff Davis Panthers by a score of 36 to 6. The district 13 championship had been determined. Hail to the "Brown and Gold!"

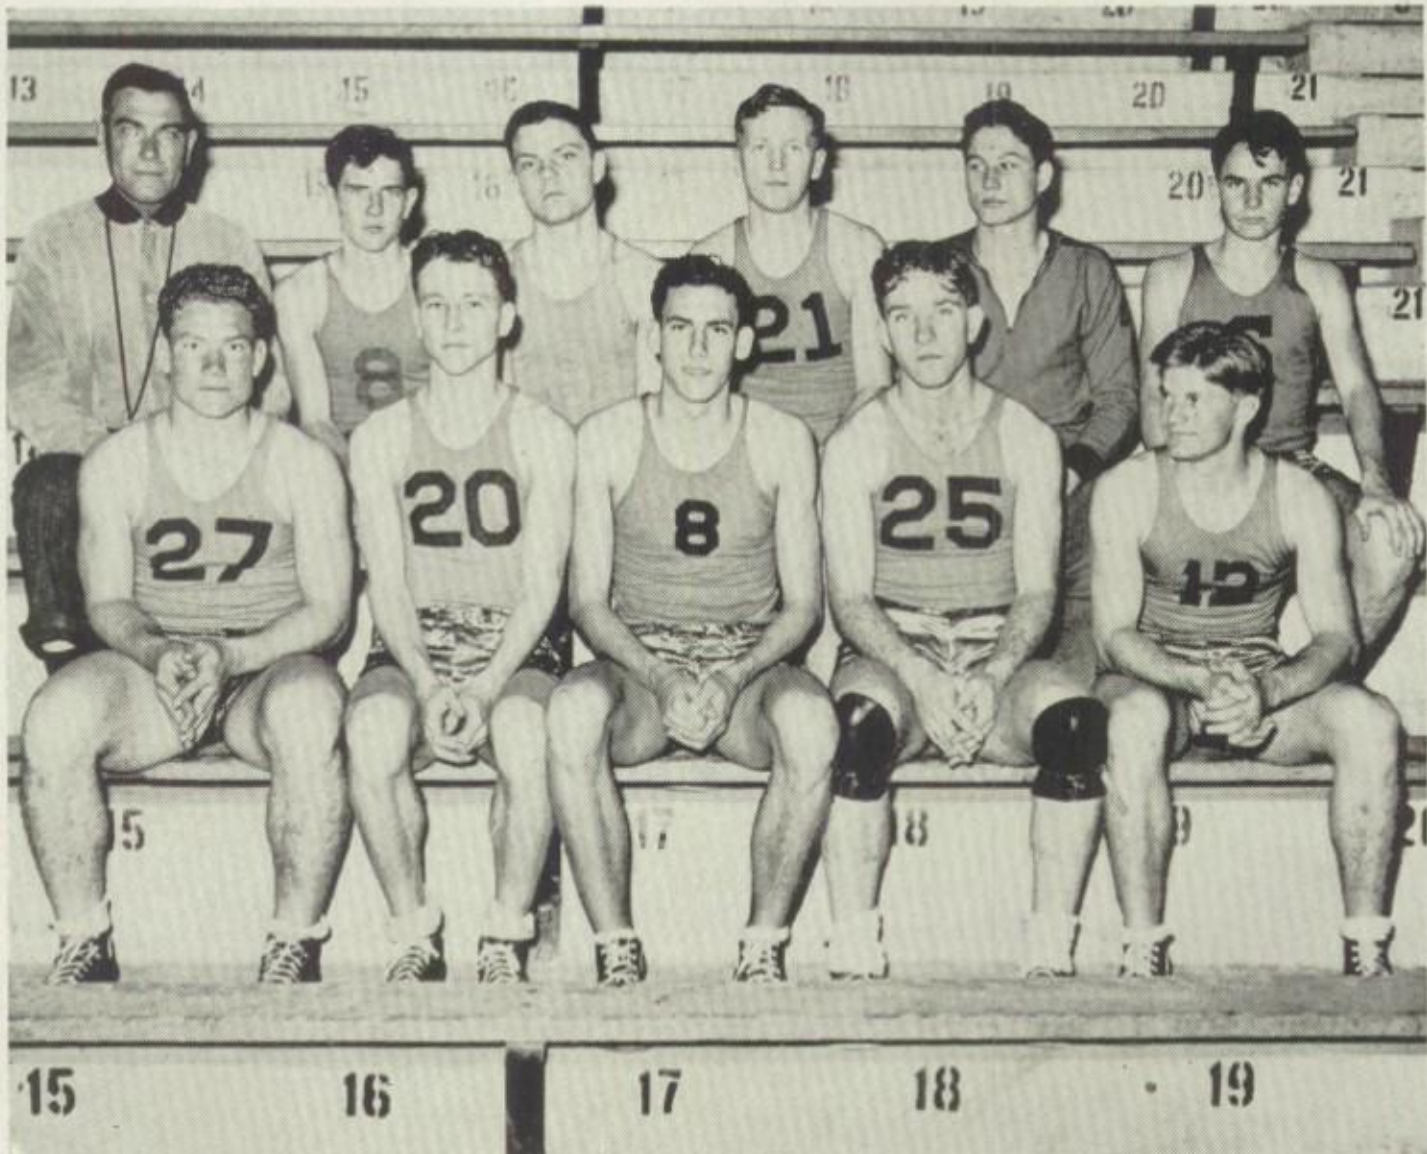

A bi-district game, played in a driving rain against the Port Arthur Yellow Jackets, thwarted the attempts of the Bears for a State title and a second chance to defeat the Greenville Lions. The Yellow Jackets defeated the Bruins by a score of 6 to 0; nevertheless the Golden Bears had come through for their second district championship.

THE SEASON

With a veteran squad for the first part of the season, the Bears got off to a flying start in this year's basketball competition; and they would have continued to fly right on through to another district championship but for the fact that their veterans, made ineligible by the eight semester rule, deserted them at mid-term.

In their first district encounter the Golden Bears turned back the boys from Jeff Davis by a score of 39 to 26. The next victims were the Bulldogs from the Heights, who were bested by the slightly closer score of 32 to 28 in a rough tussle staged in the Reagan gym.

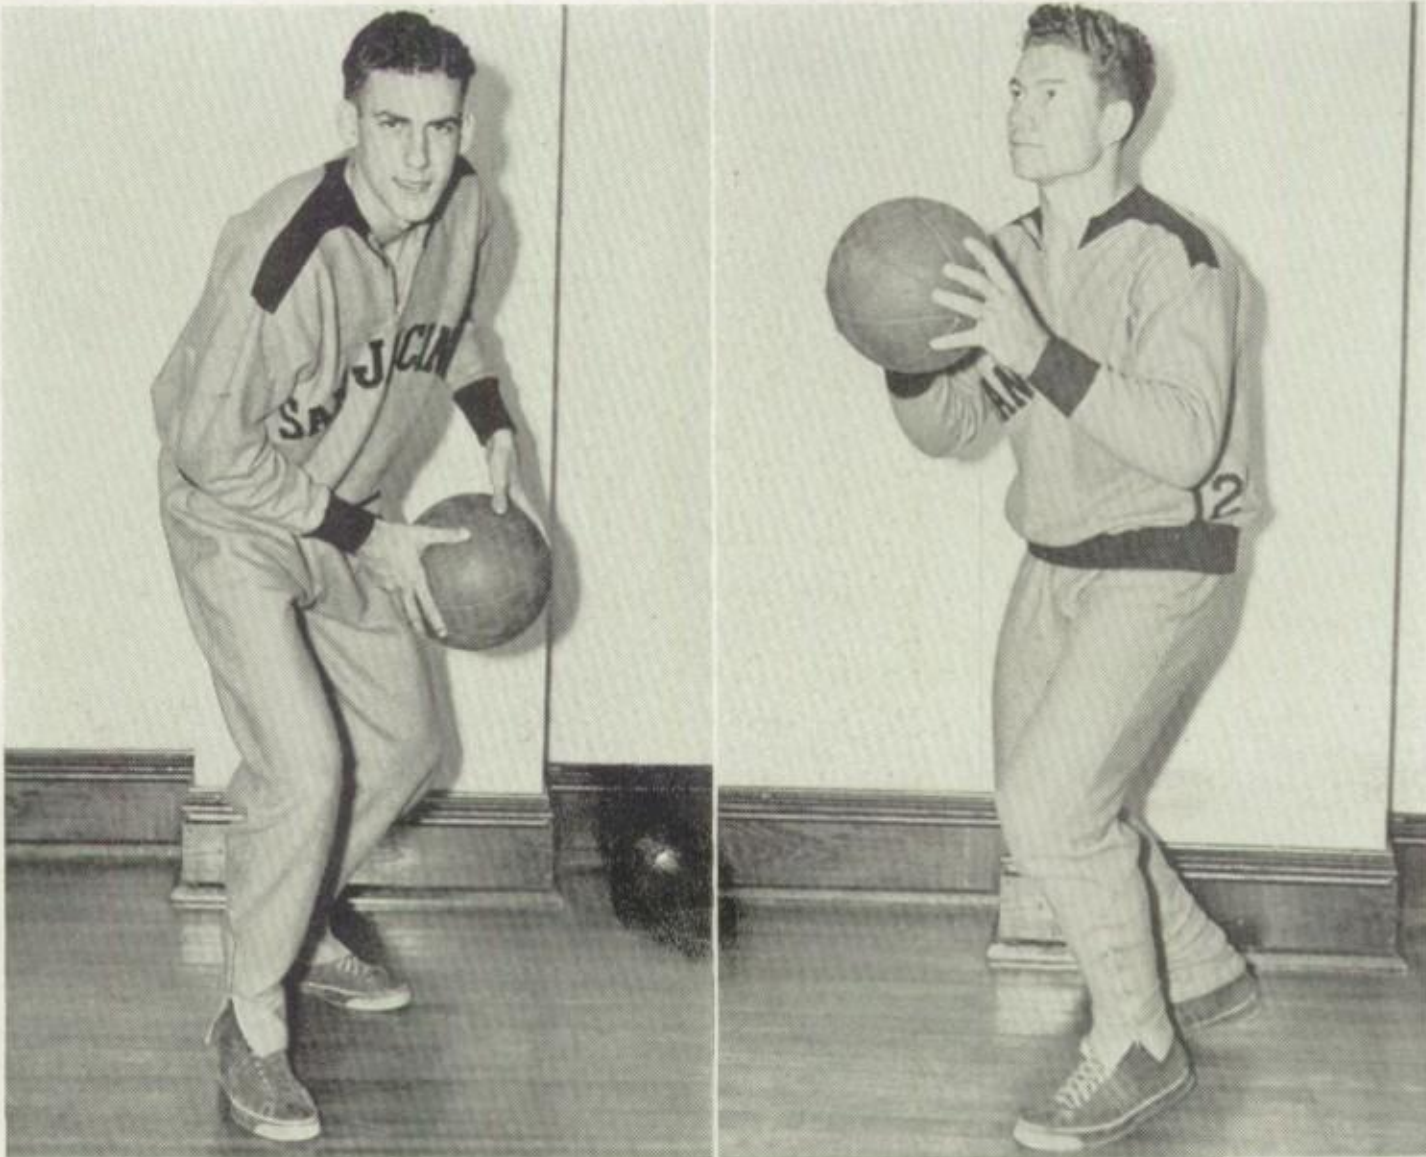

By their next fray the Bears were going strong and ran over the Sam Houston Tigers by the one-sided score of 46 to 17. Continuing this unbeatable scoring streak, they next swamped the Milby Buffaloes to the tune of 53 to 18, and then continued to haunt the boys from Milby through the fifth game by handing them a 38 to 16 defeat. They then returned to the Sam Houston boys and trounced them this time 41 to 17.

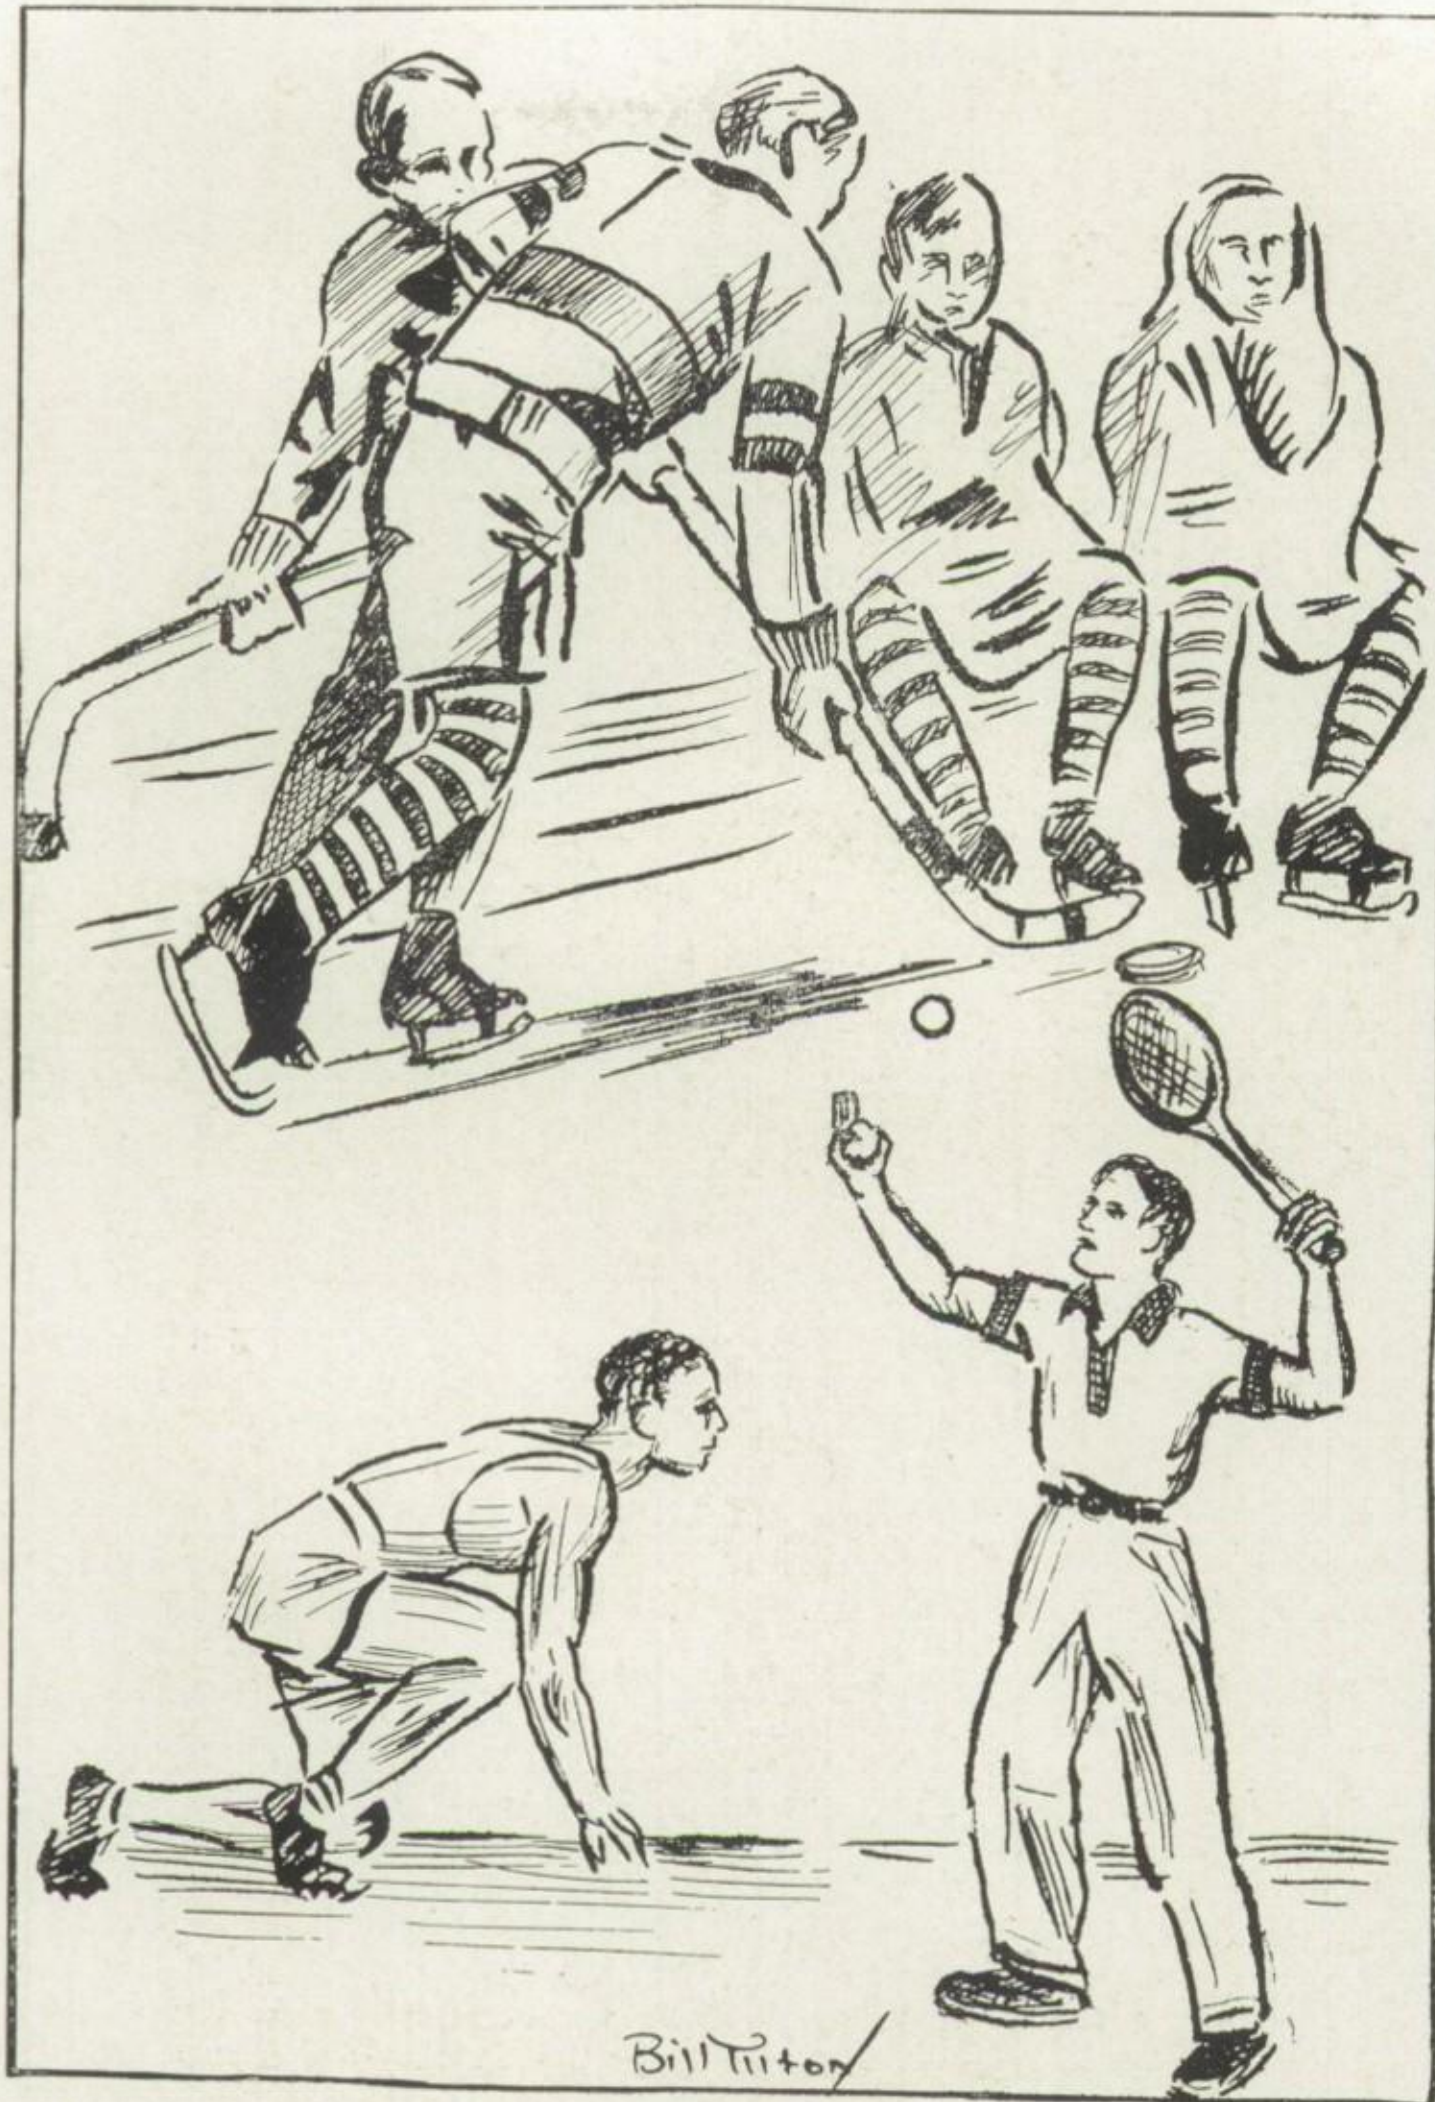

At this time the fatal mid-term was at hand; and the Bussey brothers, Warden Spear, and Tommy Nelms became ineligible, thus drastically crippling the team. In spite of this great loss, the team bore proudly the Brown and Gold and finished the season with honor even in defeat. The boys lost their first game after mid-term to Davis 28 to 26, and their next and last one to Reagan by 33 to 29.

This placed San Jacinto in a tie for first place with Jeff Davis, making a play-off in order. Both teams were primed for the battle, and the result was a very close series. The first game took two overtime periods, and finally resulted in a 27 to 25 victory for the Panthers. The Davis boys also took the second game, again winning by two points, 25 to 23, thus sewing up the city title.

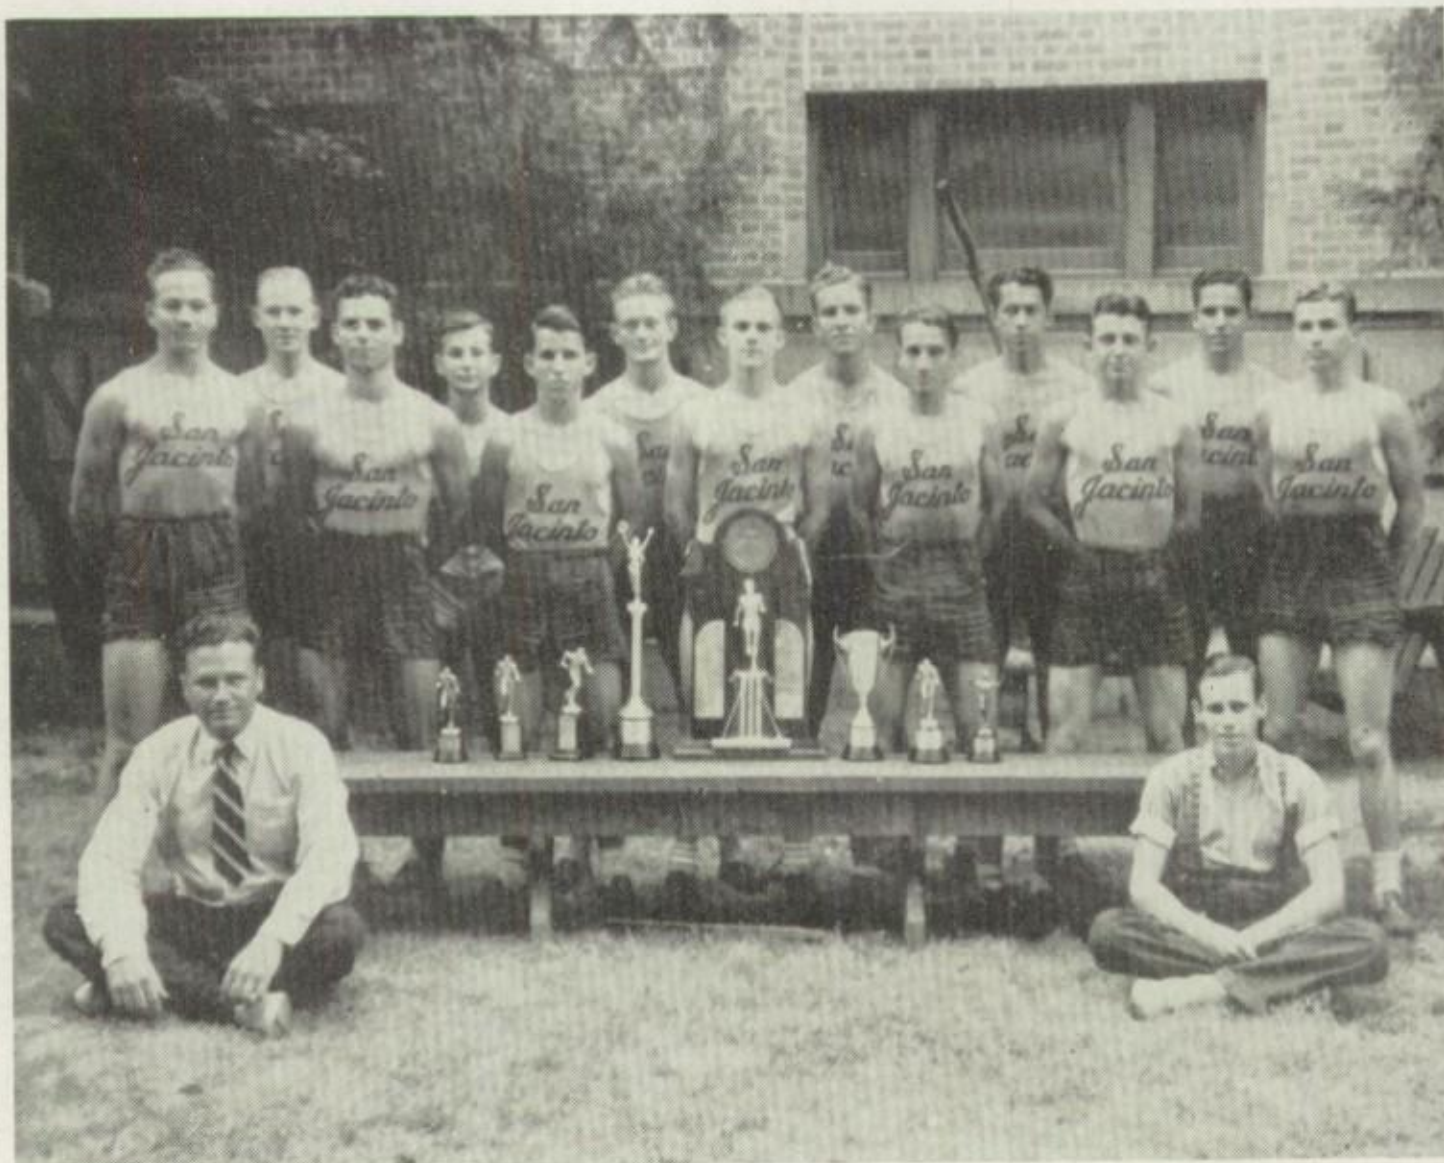

In spite of this heartbreaking loss of the city championship, the team really had a fine season. Aside from their regular schedule games, the Bears smashed through to win two invitation tournaments, one in San Antonio and another in Huntsville. By winning at these tournaments, the Bears proved their superiority to many of the best teams of the state.

On the whole, the basketball team of 1935-'36 had a very successful season and one of which the school can be justly proud.

TRACK

The 1936 Golden Bear track unit was the most successful the school has had. In spite of the fact that it was one of the smallest squads ever produced by Coach Alton "Cap" Harding, this wing-footed bunch of speedsters took undisputed first place in all but two of the ten important meets in which they participated. They tied for first honors with John Reagan in the district 19 meet and by a stroke of exceedingly hard luck lost out in the state finals to Freeport whom they had beaten in several previous meets.

One of the outstanding events of the season was the third annual San Jacinto relays held at Rice Field Saturday, May the eleventh. For this occasion Audry Martin was chosen as Queen of the Relays and Betty Cookenboo and Jeannette Russell were made Maids of Honor.

The members of the squad and Coach Harding are to be highly commended for this the most outstanding track record San Jacinto has ever attained.

From left to right the members of the squad are: Tommy Bratton, Carol Pierce, Jimmy Whitehurst, Sam Person, Billy Null, Sid Nachlas, H. B. (Red) Rouse, and Stuart MacKay, Coach. Absent are Lee Capps, Joe Gilmore, and Russell Winston.

THE TENNIS TEAM

Coached by Mr. Stuart MacKay, the Golden Bear tennis team made a good showing for San Jacinto in the interscholastic meet. Russell Winston was San Jacinto's representative in singles while Thomas Bratton and Sidney Nachlas composed the doubles team.

One of San Jacinto's brightest prospects, Lee Capps, was rendered ineligible by the eight semester ruling. Other members composing the squad included H. B. Rouse, Jimmy Whitehurst, Joe Gilmore, Carol Pierce, and Billy Null. Jimmy and Joe, steadily improving, are counted on to form the nucleus of next year's team.

In the match played with Austin High at Austin, Jimmy Whitehurst and Joe Gilmore held the spotlight for the Bears. Court Norton and Robert Fink made the trip with the squad as two of the players were unable to attend the meet.

Top Row: Arthur White, Coach Billy Eckhardt, Robert Slagle, Billy Bennett, Gilmer Buschardt, Kempton Pierce, Charles Schepps, Warren Nesmith, William Schlabach, Mr. E. B. Ingraham.

Bottom row: Link Eckhardt, Jim Bob Richardson, Horace Jennings, Chester St. Clair, Bill Spencer, Billy Slataper, Malcolm Cunningham.

ICE HOCKEY

A successful ice hockey season this year followed a championship one last year. Coaches Ingraham and Eckhardt possessed a young, but highly aggressive squad, chief of whom were Captain William Schlabach, center; Link Eckhart, wing; Chester St. Clair, wing; Billy Slataper, defense; Horace Jennings, defense; and the veteran Joe Clarke, goalie. Valuable spares were Kempton Pierce, Billy Spencer, Billy Bennett, and Jim Richardson. All games were won except the last with Sam Houston, when by winning, they tied us for the co-championship, cups being awarded to both schools.

COACHES

A very successful team is dependent to a large extent on competent coaching and so it is only fair to give recognition to these men who coached San Jacinto's highly successful athletic teams during the year 1935-'36.

Under the guiding hand of coaches Summers, Madden, Cornelius, Burns, and Stanbaugh, the '35 football team came through for its second district championship in three years.

Mr. Hodges' basketball team came within a hair of another district championship and showed itself admirably by winning several invitation meets.

During the spring months the attention of the school was turned toward track, and the squad under the able coaching of "Cap" Harding, breezed through their schedule to win the regional meet only to lose the state meet to Freeport whom they had beaten several times before.

HUMOR

FLUNK MATH IN SIX EASY LESSONS

(These notes have been carefully compiled and studied by Mm. Nana Nortonsky.)

- I. Fail to laugh at the teacher's jokes.
- II. Watch the campus closely.
- III. Appear extremely interested in notices coming into classroom.
- IV. Leave for plays, football practice, or pep rally.
- V. Absent yourself for more than two days.
- VI. Write notes and jabber incessantly.

WHAT TO DO WITH RED CARDS

1. Sell them to visitors as souvenirs of the city.
2. Pretend you believe them to be invitations, buy a new suit, and send acceptance.
3. Tear them into minute particles and spray gently over classroom.
4. Tear half in two and retain stub.
5. Paste collection together and decorate the conservatory.

GOLDISOCKS AND THE TREE BEARS

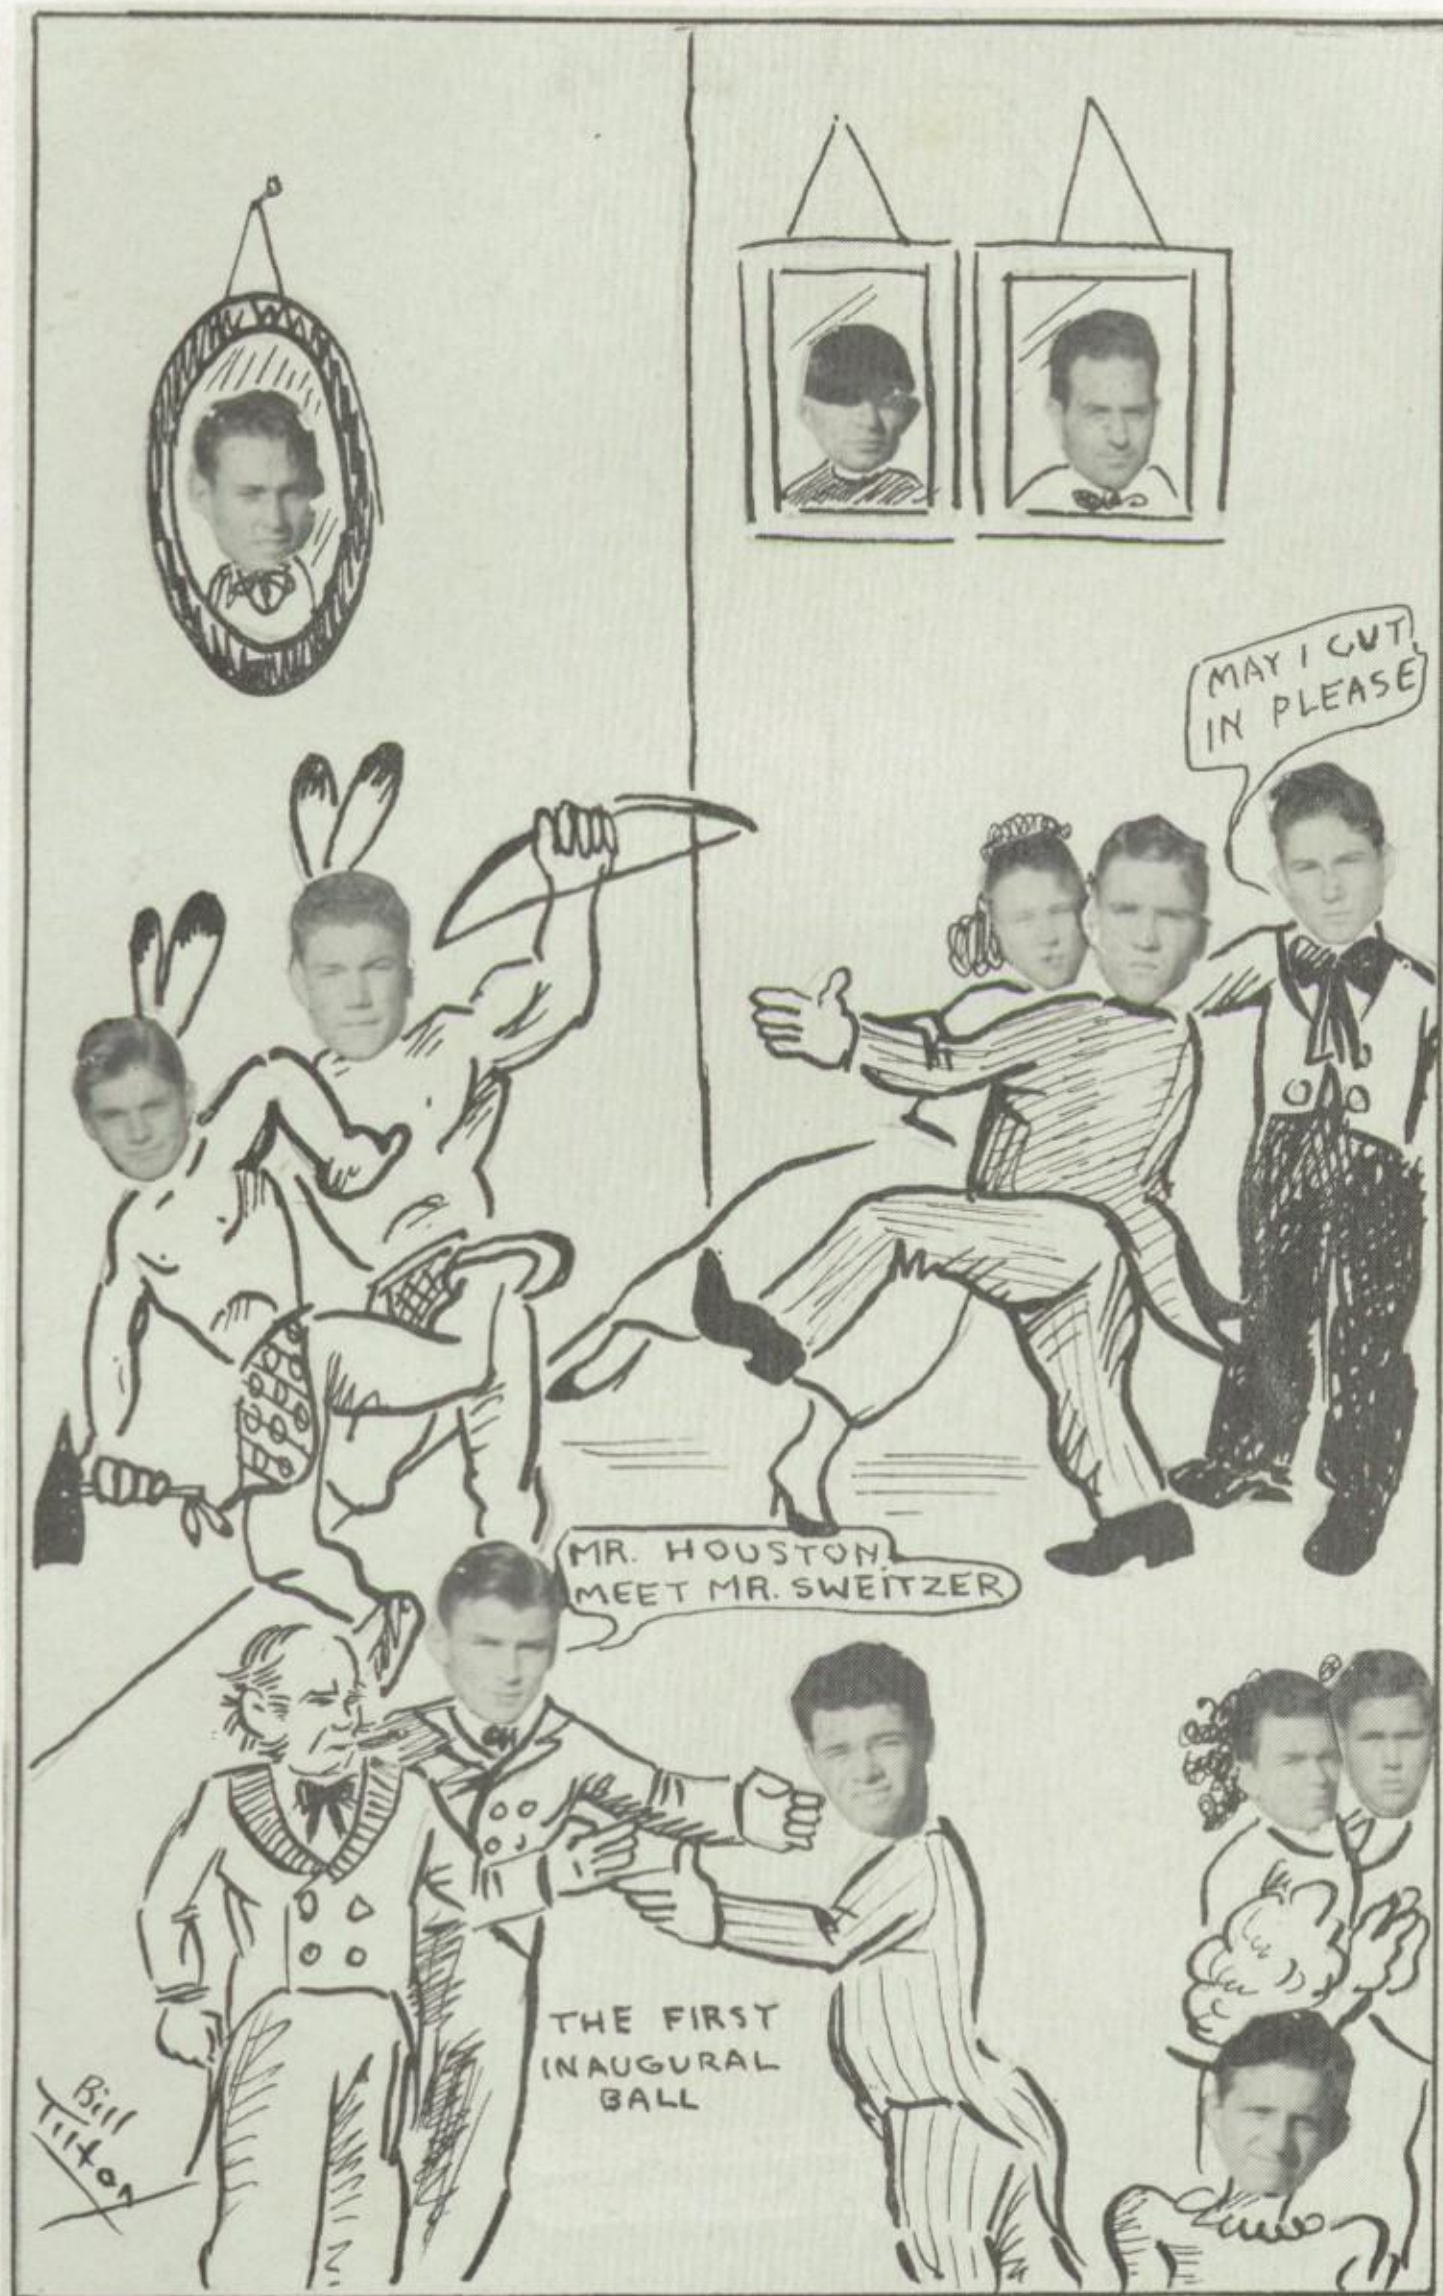

Once upon a Tuesday a little daffydil named Goldisocks went breezing through the woods to San Jacinto. As she slowly scampered sideways into the clearing, she saw three hundred Bears not eating porridge. Instead of porridge these tiny sorts of huge Bear ate Bulldogs. Being not very particular, easy to please, and equally nondescript, the young bruins imbibed also of Tigers, Panthers, and Buffaloes—not to mention the district animals.

Since Goldisocks was none of these—in fact a little bit independent—she was safe from their savage onslaught as they browsed beneath the elm trees. Anyway the rest of the brutes were chewing tightwads in their respective cages—and who was she to spoil their fun? Beyond the blue horizon she spied some tourist camps or something. She tried the first shack. It was too little. Then she tried the third shack because the second one was out to lunch.

A stooge in a pecan tree (the nut) yelled the brown and cold battle cry and threw her four gallons of tea. But she got mad and slew the tree bears because she liked spaghetti better anyhow.

DIRECTIONS

If you by any chance feel that you have been slighted (i.e. left out) by this annual, paste your own picture in the above space and write such complimentary (or otherwise) remarks about yourself as you may deem proper in the lines below the picture.

WHAT AFTER HIGH SCHOOL?

Let Massey introduce you to an office position in keeping with your educational background. We do not promise to make of you a business executive; but we will train you for, and place you in, a starting position where your talents and education will open to you opportunities without limit.

We are receiving constantly more calls from employers for Massey graduates than we have available to fill the very desirable office positions open to them.

We invite your investigation of our record in starting San Jacinto graduates on the road to success.
